LEADER PUMPS

ECOVORT SERIES

DIRTY WATER SUBMERSIBLE PUMPS "OIL FREE" AND CONTINUOUS DUTY PUMPS

The **LEADER SUBMERSIBLES** have set a new standard in pump technology with environmentally friendly **OIL-LESS** motors, **CAPACITOR START** for instant torque, and **DOUBLE BALL BEARINGS** for high efficiency and quiet operation. A **CERAMIC SHAFT SLEEVE AND TRIPLE SEALS** provide extended life in abrasive environments. The standard **16 FOOT POWER CORD** gets the pump where you need it. Capable of handling **1" solids**.
